

NATURAL MERCHANTS

Natural Merchants, Inc. has established itself as one of North America's leading Importers of the finest natural and organic wines direct from leading family produced wineries from around the world.

What is Natural Merchants' Selections?

Natural Merchants' product selection represents the best the planet has to offer – high-quality natural wine brands including [organic wine without sulfites](#), wine [made with 100% organically grown grapes](#) and [Biodynamic wine](#). The entire portfolio is produced to [vegan wine standards and many are Certified Vegan](#). The Natural Merchants Selections program highlights more than 150 carefully selected wines grown in unique organic terroir, each vineyard producing clean, fresh superior wines that are both good for the earth and tantalizing for the palate.

Natural Merchants' Selections program has made it easier than ever before for Americans to enjoy quality organic wines from [Spain](#), [Italy](#), [Germany](#), [France](#), [Greece](#), [Austria](#), [Portugal](#), [Chile](#) and [Argentina](#). Selections from their extensive portfolio of organic wine can be found in leading natural retail stores nationwide including [Whole Foods, Market](#), [365 by Whole Foods](#) and [Trader Joe's](#), and can also be accessed through traditional U.S. wine distributors across the country.

Where are we working?

Via offices in Southern Europe Natural Merchants sources the best products direct from their growers to the client's door. NM's mixed container program allows their customers the convenience and confidence of buying direct at the lowest cost without the complications of importing the products themselves or having to buy full containers of one product.

Natural Merchants' North American office is located in beautiful Grants Pass, Oregon. Warehouse locations include Sonoma, California and New Jersey.

Quality Family Produced Organic Wine

The product lineup is highlighted by a full natural & organic wine selection from around the world. Natural Merchants has hand selected the finest wine producers in each country with which to develop export programs. NM works in partnership with their growers, forming joint-venture business investments that mutually benefit all parties involved. They consult with all of their growers in obtaining the necessary certifications, package selection, marketing and logistical decisions to develop the most flexible programs for their customers.
